President’s Report – Simon McDonald

Simon introduced our guests for the evening, Paul Healy, Chris Saley, and Mayor Giannattasio. They have joined us to discuss the Wildemere stabilization project which will be a sand dune designed to protect our beaches that will start at 8th Ave in Laural beach and go all the way to the city peer. The project was discussed at length. The organizers would like us to join them by filling out a form they have to show our support. This will be individually signed and copies will be on our website.
